

# **HEALTH SECTOR**

## **CONSOLIDATED SALARY SCALES IN ACCORDANCE WITH THE FEMPI ACTS, THE PUBLIC SERVICE AGREEMENTS AND THE PUBLIC SERVICE PAY AND PENSIONS ACT 2017**

These scales must be read in conjunction with Department of Health Circular 3/2023

Building Momentum, the Public Service Agreement 2021-2023 (as reviewed) gives effect to the following adjustments:

**Increases to the annualised basic rate of pay as follows:**

- An increase of 2% due on 1 March 2023

**Increases to the rates of allowances in the nature of pay as follows:**

- An increase of 2% due on 1 March 2023

The sanction of the Minister is now conveyed for the application of these revised rates as appropriate with effect from 1 March 2023

Your attention is drawn to section 12 of the FEMPI 2015 Act which provides details of the consequences of the inclusion of unapproved terms and conditions in the contract of employment of public servants and which provides for related matters, including the recoupment of unapproved payments.

Sessional rates may not be used in respect of any new employee recruited on or after 28 March 2014 and the continued use of sessional rates in relation to those already in receipt of them is also currently being reviewed. The relevant sessional rates are highlighted † in the Consolidated Salary Scales.

## COMPLIANCE WITH HEALTH SECTOR PAY POLICY (as set out in DoH Circular 11/2013)

### 1. Salary Scales

In accordance with public service pay policy, the Department of Health Consolidated Salary Scales (1 March 2023), as sanctioned by the Minister for Health and approved by the Minister for Public Expenditure and Reform, set out current salaries for public health service staff. These salary scales must be strictly adhered to and in no circumstances should an employee receive remuneration in the nature of pay and allowances of an amount greater than the amount prescribed for the relevant grade. The Department of Health Circular 11/2013 defines remuneration as basic salary, allowances and all other benefits in cash or in kind, together with general terms in regard to superannuation, holidays, sick leave etc., approximating to health service norms.

**Non-Exchequer sources of funding may not be used to supplement approved rates of remuneration.**

It is noted that the standard Service Arrangement between the Section 38 providers and the HSE requires that remuneration in Section 38 bodies conforms to public sector pay norms. Attention is drawn to the following provisions in particular;

- Section 3.2(c) (ix): Providers shall not pay nor subsidise salaries, expenses or other perquisites which exceed those normally paid within the public sector.
- Section 17.5: The Provider will adhere to the consolidated salary scales where they apply and is not authorised to pay salaries in excess of the consolidated scales for approved grades.

### 2. Financial Emergency Measures in the Public Interest Acts 2009 - 2015

The 2009 Act provided for reductions of public service pay rates with effect from 1 January 2010 and was amended by the 2013 Act to effect further reductions for employees earning over €65,000 per annum. The 2015 Act provides for an increase in the remuneration of certain grades in the public service.

Under Section 5(1) of the 2013 Act, a public servant whose pay has been reduced in accordance with the Act is not entitled to receive remuneration greater than the amount so determined. Additionally, no person or body responsible for paying the remuneration of a public servant is entitled to pay remuneration of an amount greater than the amount so determined. Accordingly, with the exception of the very limited arrangements under Section 6 of the 2013 Act, which requires the sanction of the Minister for Public Expenditure and Reform, it is not open to any public service employer to implement an increase in remuneration for public servants outside of the increases provided for in the 2015 Act and adjustments agreed as part of the public service stability agreements.

**Your attention is drawn to section 12 of the 2015 Act which provides details of the consequences of the inclusion of unapproved terms and conditions in the contract of employment of public servants and which provides for related matters, including the recoupment of unapproved payments.**

### 3. Allowances **\*\* NO UNAPPROVED ALLOWANCES MAY BE PAID \*\***

As a general rule, only allowances included in the Department of Health Consolidated Salary Scales may be paid. Such allowances may be paid only in respect of those duties and grades specified in the Consolidated Salary Scales and at the approved rate, e.g. on-call allowances are payable only to those grades such as NCHDs, nurses etc. Where the Consolidated Salary Scales provide for the payment of an on-call allowance; the approved rate of such allowances may not be varied.

### 4. One Person One Salary

In accordance with the one person one salary principle, serving public servants require the consent of the Department of Public Expenditure and Reform in order to undertake other forms of paid remuneration in any part of the public service. In this context it should also be noted that public servants and public sector employees (with the exception of certain worker directors), who sit on State boards in an ex officio capacity or on behalf of their parent Department/organisation or who may be nominated to such boards independently of their public service employment, should not be paid remuneration in the form of board fees when serving in such a representational capacity.

### 5. Temporary Contracts for Posts at a Higher Grade

The Department of Health Circular 7/2022 must be adhered to in relation to temporary contracts for posts at a higher grade. Temporary contracts for posts at a higher grade that extend beyond 12 months will only be given on an exceptional basis and prior sanction must be sought from the Department of Health.

### 6. Superannuation

It is a general condition of public service pension schemes that pensionable remuneration for the purpose of the calculation of pension benefits, is determined by reference to the approved salary scale and sanctioned pensionable allowances, where applicable. The various superannuation schemes in the health sector require that the salary along with pensionable allowances used to determine pension benefits are those approved by the Minister for Health with the consent of the Minister for Public Expenditure and Reform.

Retirement benefits must be calculated by reference to the substantive grade of the retiring employee and the appropriate approved salary scale, and pensionable allowance where applicable, as set out in the Consolidated Salary Scales. Superannuation scheme rules do not permit the calculation of benefits using an unapproved salary or allowance to determine pensionable remuneration.

## **Guide to the Consolidated Salary Scales**

### **Please note the following**

- 1 The "**MAIN**" worksheet shows pay scales for all grades except Consultants. Payscale on this worksheet read across the page. The current rate and a minimum of one historical rate are shown.
- 2 The "**MAIN**" worksheet shows pay scales shaded in yellow that are not active scales and are not for use in relation to remuneration for current employees.
- 3 The "**CONSULTANTS**" worksheet shows the pay scales for Consultant grades. The current rate and a minimum of one historical rate are shown.
- 4 The "**Notional Scales**" worksheet shows notional scales that are not active pay scales and are not for use in relation to remuneration for current employees.
- 5 **Pension increase policy up to end 2023**  
In accordance with Building Momentum, the existing arrangements in relation to pre-existing pension schemes will continue to the end-2023. To determine if an increase is due to applicable pensions in payment, under pre-existing pension schemes, up to end 2023, please refer to the detailed guidance contained in DPER Circulars 20/2017, 02/2018, 19/2019 and 10/2021 as well as DoH Circulars 9/2021 and 10/2021. These circulars set out the position in relation to pension increase policy, in the public service, up to end 2023 and provide specific guidance in determining if a pension increase is due in relation to pre-March 2012 retirees as well as those that retired after this date.
- 6 LSIs (Long Service Increments) are represented by emboldened figures. 1st LSI is paid after 3 years on the max, the 2nd LSI after 3 years on LSI1, and the 3rd LSI after 3 years on the 2nd LSI.
- 7 For the following grades (Craftsmen, Craftsmen's Mates, Chargehand, Asst Foreman, Foreman, Chef I, Chef II with qualification, Chef Senior, Chef Executive), the points are as follows:  
Point 1 = On recruitment Point 2 = After .5 years Point 3 = after 1.5 years etc.  
Where one point scales became two point scales under Clause 2.31 of the Haddington Road Agreement, incremental progression will be after 2 years service on the 1st point.
- 8 Where a qualification bar exists for a grade, the grade is represented twice, once for those without the qualification, once for those with it (e.g. Social Care Worker).
- 9 As in previous scales, the weekly rate can be calculated by dividing the annual rate by 52.18.
- 10 Pay of non-whole time equivalents such as work sharers is calculated by applying the relevant increase to the full basic salary first and then calculating the appropriate rate for the person working reduced hours, on a pro-rata basis.
- 11 Sessional Rates, which are not to be used for any new employees recruited on or after 28th March 2014, have been highlighted.†
- 12 Dual Responsibility / Acting allowances are no longer payable in line with the requirements of the public service agreements and have been removed from the scales.
- 13 Arising from a Labour Court engagement on 25th May 2022, Grade 3875 - Medical Scientist has been revised with effect from 17th June 2022. See DoH Circular 6/2002.
- 14 Pay relativity for grades originally sanctioned as/aligned to another grade (eg: Student/Post Qualification Pre-Registration/Adaptation link to the Staff Nurse/Staff Nurse Mental Health pay scale as appropriate) has been surpassed, as pay has been amended in line with recent National Agreements and the FEMPI legislation.
- 15 The Radiography Services Manager II/ Radiation Therapy Services Manager II allowance is no longer payable with effect from 1st February 2022 as per SIPTU Sectoral Bargaining agreement.
- 16 DoH Circular 1/2023 provides for adjustments to pay for final year nursing and midwifery students as set out in the Main Tab
- 17 HSE HR Circular 003/2023 - Phase IV Job Evaluation provides for the rebanding of certain grades as set out in the Main tab
- 18 DoH Circular 15/2022 provides for an adjustment to the grade of 3247 - Pharmacist, and the creation of new grades - Pharmacist Executive Manager 1, 2, and 3
- 19 The grades of: Occupational Health Physician (Interim) - Therapeutic Security Supervisor - Pharmacist Executive Manager 1, 2, 3 - Social Care Manager 1, 2, 3, - Peer Support Worker and Senior - Catering/Cleaner/Assistant - Catering Assistant - General Operative - Security Guard - Drivers (Doctors on Call) - have been newly entered in these pay scales.
- 20 DoH circular 2/2023 set out retrospective adjustments to pay for certain Dental grades in respect of Sectoral Bargaining w.e.f 1.2.22. It is important to note that pay scales previously issued by the Department of Health for these grades with effective dates between 2 February and 1 October 2022 are now revised to take account of the 1 February 2022 adjustments. Adjustments to remaining Medical grades for 1.2.22 will issue by separate cover when sanctioned.
- 21 Rates in respect of the 2023 Consultant Contract will be inserted once agreed.
- 22 The following grades have been retitled - 6484 Home Help Organiser now Home Support Resource Manager and 6584 Home Help Coordinator now Home Support Resource Officer.
- 23 The following grades have been amalgamated to a single entry - 4734 Mini Bus Driver and 4734 Van Driver amalgamated to a single entry 4734 Mini-Bus/Van Drivers  
6430 - Hairdresser, Barber, and Beautician have been amalgamated to 6430 - Hairdresser/Barber
- 24 Students on 'Post Registration' nursing grade codes retain the pay, terms, and conditions associated with their substantive nursing grade while studying
- 25 Employees on 'Nursing Bank' grade codes are paid in line with the standard grade of the same title.

**If you have a query specific to your own pay, please contact your own HR Manager where you are employed**

## **Medical Consultants Salary Scales**

**Consultant Contract 2023 Salary Scales to be inserted once agreed**

## Medical Consultants Salary Scales

Salary Scales are included in this worksheet for eligible consultants who have availed of the Consultant Contract 2008 Settlement Agreement, as per Circular 11/2018. These are demarcated in green shading and have the letters SA before each table number.

Applicable Sectoral Bargaining adjustments for the Medical Bargaining Unit will be retrospectively applied when available.

\*\* New Entrants - Those not covered by footnote to Table D1

Masters Allowance
Calculating the Allowance paid to the Master of a Maternity Hospital
The allowance attached to the role of Master is calculated as the difference between the rate applying to the standard clinical post and a professorial post as determined by Contract Type. For example, should you opt for Consultant Contract 2008 on a Type B basis, you will receive an allowance equal to the difference between the salary rate for the Type B standard clinical post and the Type B Professor post.
